

Berry Public School - Stage 2 – 4/5V Home Learning Week 10

Commencing Monday March 30th.

The following tasks are a guide, for parents, to cover some of the Stage 2 curriculum at home this week. This is an interim program and a more structured learning approach will occur in the weeks to come. Parents can indicate which activities their child completed by returning an email with a photo or attachment of the planner below to their child’s teacher. Any completed work students can email to their teacher via the same method or brought directly to the school at the end of the week with the child’s name and class clearly indicated. If you have any questions about the tasks below please contact your child’s teacher via email or call the school. Please ignore Monday Week 9’s work and make a fresh start this week for Week 10. Email: katie.vearing1@det.nsw.edu.au
