

KidsMatter Celebration Day 2018

Why? We are having the Celebration Day where teachers and students join together to demonstrate behaviours that enhance the positive school culture as articulated by "The Berry Way".

We hope to give our student a sense of belonging and further enhance our sense of community within the school.

How? In family groups (K - 6), the students will rotate through a variety of activities throughout the day with a focus on:

Who? Students and Teachers

When? Thursday 30th August 2018

Dress Code? Mufti Day/Theme: "Come dressed in your farm gear"

(make sure what you wear does not inhibit your ability to participate in the fun activities on the day)

Please bring a gold coin donation as our school has registered for 'Gold coin for our Farmers' campaign.

Australian farmers are the backbone of our country. For hundreds of years they've fed us all. Now they need our support to keep their cattle alive and the food in our stomachs. Berry students, if you can help by donating we'll see that they receive the fodder they need and the support to get them through this tough time.
